

Accessibility Statement for Advanced Care Home Health

At Advanced Care Home Health, we are committed to providing an accessible and user-friendly experience for all visitors to our website, including those with disabilities. We strive to ensure that our website complies with accessibility standards and is easy to navigate for everyone, regardless of ability.

Ongoing Efforts

We continuously work to improve the accessibility of our digital content, adhering to the Web Content Accessibility Guidelines (WCAG) to provide a positive online experience for users with disabilities. Despite our efforts to make all pages and content on Advanced Care Home Health fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.

Need Assistance?

If you encounter any difficulties while navigating our website or have trouble accessing any content, please don't hesitate to contact us. We are here to assist you and can provide the information or services you need in a format that works for you.

Contact Information for Accessibility Support:

- **Phone:** (805) 505-9955
- **Email:** Info@advancedcare-hh.com
- **Office Hours:** Monday – Friday, 8:30-5:00 PST
- **Mailing Address:** 4349 Old Santa Fe Rd. Unit G Suite 202
San Luis Obispo, CA. 93401

Please let us know the nature of the problem, the web page you were trying to access, and your preferred contact method. Our team is dedicated to resolving any issues quickly and ensuring that you have full access to the services and information provided on our website.

Commitment to Improvement

Advanced Care Home Health is fully committed to ongoing improvements to make our website accessible to all. If you have any suggestions or feedback regarding our accessibility features, we welcome your input to help us enhance our online experience.

Thank you for visiting Advanced Care Home Health, and we appreciate your patience and understanding as we continue to work toward a fully accessible website.
